

## The Summit House Story

On a sunny spring morning in 1989 the proprietors of the Summit House climbed to the top of a grass covered hill in the city of Fullerton, and upon reaching the Summit, were awed by the spectacular views previously enjoyed only by the native rabbits and coyotes who inhabited this rustic pinnacle. This was the inception of a vision that when realized would become one of the most unique and beautiful wedding venues in Southern California.

Today high above the hustle and bustle of North Orange County, like a crown on the hilltop, you'll find built in the tradition of a stately English country manor the Summit House. No matter where you stand on the grounds, a magnificent vista inspires you: to the north loom the San Gabriel and San Bernardino mountains, to the south and west are the Laguna Hills and the sparkling Pacific Ocean. Come nightfall, as you look at the city lights winking in the valley below, you can easily imagine yourself adrift on a sea of stars.

A short stroll away from our new bridal suite stands our wedding gazebo, joyously festooned according to each couple's wishes. From the gazebo the bride and groom can look out over all their guests seated on the steps of the amphitheater carved into the Vista Park hillside. After the ceremony guests may amble along manicured grass pathways and through rose gardens, or sip champagne on one of the outdoor patios before they slip into the Grand Summit Ballroom for the reception. The ballroom is spacious with delicate cream-colored walls and high coffered ceilings adorned with pewter chandeliers. Surrounding the ballroom are enormous bay windows and French doors exposing the spectacular panoramic views.

Above all, the Summit House is famous for the amazing flavors and incredible food presentations created by Executive Chef Timothy Plumb's culinary team, the excellent personalized customer care of our service staff, and the fastidious attention to every detail paid by our wedding experts.
