"Only somebody who really takes the time to understand Pinot's potential can then coax it into it's fullest expression. I mean, oh it's flavors, they're just the most haunting and brilliant and thrilling and subtle and ancient on the planet."

-Miles Raymond, the movie "Sideways"

"It is the wine that leads me on,
the wild wine that sets the wisest man to sing
at the top of his lungs, and laugh like a fool,
it drives the man to dancing...
it even tempts him to blurt out stories
better never told."

-Homer, "The Odyssey"

"Wine is one of the most civilized things in the world and one of the most natural things of the world that has been brought to the greatest perfection, and it offers a greater range for enjoyment and appreciation than, possibly, any other purely sensory thing."

-Ernest Hemingway
